BUILDING A LEGACY: Sherwin-Williams® Coil Coatings WeatherXL™ flagship SMP, is stronger than ever, no matter the weather.

WeatherXL™ is a trademark of SWIMC LLC.

This cutting-edge formulation, recognized for its durability and performance, offers strong protection against extreme conditions. WeatherXL acts as a shield against chalking and fading while preserving its brilliant color and gloss to keep your building color striking, year after year. When you need your building to last, WeatherXL provides first-class resistance to scratching and weathering. This enhanced silicone-modified polyester resin system delivers maximum hardness. Ideal for commercial and residential metal roofing, agricultural and industrial buildings, and metal wall panels, **WeatherXL** lives up to its reputation.

Featuring:

- 25 year Substrate Warranty with 45 year Paint warranty
- Domestic Steel
- Superior Corrosion Resistance
- Excellent Paint Finish for color retention and chalking resistance
- Available with Drip Stop
